

confirmation commissioning course

January 7, 2016

Dear Student,

As a student 6th grade and older, you are eligible to take part in an opportunity presented by the Greeneville Cumberland Presbyterian Church that has the potential to be life-changing. C³, or the Confirmation Commissioning Course is being offered to students who are ready to make a personal claim on their faith. This is not a course that your parents sign you up for, nor is it something you do because “everyone else is doing it.” This is your choice. Therefore, the course is only for those that are willing to commit the time and energy it will take to complete it.

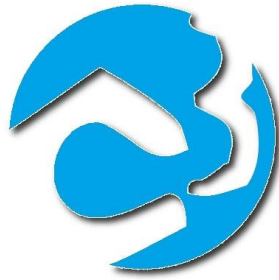

Over the 14-week course, you will be required to meet weekly with the group for discussion, projects, activities, and more to dig deeper into the very heart of what Christianity really is. We will explore what each of us truly believes—not just what we are told we are supposed to believe. The course is not designed to overwork you or burn you out, but there will be assignments you’ll have to complete between each group meeting. These tasks are designed to help you better understand how you might live out your faith in real life, and how to put into practice what you believe.

Along with the other students in the group, you will choose a mentor to walk alongside you in the journey. This will be an adult member of GCPC that will commit to praying for you every week, checking in with you to see how the process is going, and, among other things, being available to talk or answer questions when you need them. Your parents will play a role in the C³ process, as they commit to pray for you and support you along the way. You will also be asked to attend church services at GCPC regularly during the course to provide a frame of reference of how the life of faith is shared in community.

At the completion of the course, you’ll become an adult member of the Greeneville Cumberland Presbyterian Church, and baptism will be an option for those not already baptized. This will happen in a special ceremony during worship on Sunday, May 15. I am asking you to pray about this opportunity and decide if God is leading you to participate in the course. Also, discuss the course with your parents and ask them if they will support your decision. Look to the C³ website, www.gpcchurch.org/confirmation for more information and updates. Finally, feel free to bring your questions and concerns to me as you discern if you’d like to participate. If you decide to join in, fill out the attached registration form and return it to the church office by Sunday, January 24, 2016.
