WHEN: We will leave at 2pm on Sunday June 2 and return by 10:30am on Saturday, June 8

WHO: Students who are entering 9th grade in 2019 through the class of 2019. College students are also welcome to serve on work crew.

HOW MUCH: Students who regularly participate* in the youth ministry at GCPC and the friends they sponsor** will pay \$200 if registered by the deadline of November 14, 2018. Cost will rise \$50 per month after deadline.

*We define participant as those who are present more than they are absent at youth ministry meetings and events.

** Trips are an extension of our weekly youth program. Those who don't participate regularly are welcome to attend, but will need to be the guest of one who attends regularly.
