

**College Student
Application for funds from H. C. Smith Scholarship**

Name_____ Phone_____

Please attach an essay in which you tell the committee about your college experience so far. Include successes you have enjoyed, mistakes you have made (We've ALL made them!), favorite courses, your plans--anything that will tell us about you. Include grades if you wish. One of the criteria the committee will consider is the applicant's need for funds, so you may want to address that subject.
